## OMNIBUS UBIQUE?

I am sure that quite a few of our supporters are old enough to have studied Latin at school...

They will know that 'bus' comes from 'omnibus' which is Latin for 'for everyone' - a most suitable epithet for a bus. But, our old title of *Birmingham Omnibus* needed widening. So we have added the Latin word 'ubique' which means 'everywhere'. This newsletter is 'for everyone everywhere'. We hope you like it.
